## INTRODUCTION

Dear JABLOTRON Business Partner,

Congratulations on choosing the JABLOTRON ALARMS system. We appreciate your cooperation and would like to provide you with practical guidance on how to properly use the JABLOTRON trademark in your marketing communication.

The JABLOTRON trademark means the expression JABLOTRON ALARMS or JABLOTRON used in any font or size, by itself or combined with other elements, in text, or as part of any logo. It is essential to follow these Guidelines to achieve a consistent application of the JABLOTRON identity and build strong awareness and recognition of the JABLOTRON brand. These Guidelines provide clear standards and rules for your marketing communication.

Please give a copy of these Guidelines to your marketing and business partners and remind them to implement them.

### TARGET GROUP

These Guidelines apply to the use of JABLOTRON trademark by everyone who resells JABLOTRON products. This includes direct and indirect distributors and installers, as well as the marketing agencies of our business partners.

### OTHER AGREEMENTS

If you have entered into other agreements regulating the use of the JABLOTRON trademark with the manufacturer, they take precedence over these Guidelines.

### QUESTIONS & CONTACTS

If you have any questions regarding how to properly use the JABLOTRON brand and trademark, get in touch with your local JABLOTRON contact person or [marketing@jablotron.cz](mailto:marketing@jablotron.cz)

JABLOTRON

## LOGOTYPE | VERSIONS & USAGE

Logotype is the key part of corporate identity. When using the JABLOTRON logotype, there need to be a minimum size and a protective space to ensure proper visibility. If you are interested in using the JABLOTRON logo, get in touch with your local JABLOTRON contact person or [marketing@jablotron.cz](mailto:marketing@jablotron.cz)

### (01) SEPARATE LOGOTYPE

White (protective) space

The white (protective) space on each side has the same height as the width of letter T.

Minimal size 20 mm

## LOGOTYPE | VERSIONS & USAGE

Use the logotype with subclaim especially on printed materials or when you need to emphasize the essence of the JABLOTRON products.

### (02) LOGOTYPE WITH SUBCLAIM

White (protective) space

The white (protective) space on each side has the same height as the width of letter T.

Minimal size 40 mm

## LOGOTYPE | VERSIONS & USAGE

JABLO FONT is defined as the main corporate font. If the main font is not available, or when electronic form is used for data transfer or sharing with other users, it is recommended to use Arial or Helvetica font.

Corporate fonts help to achieve a unique and consistent look for all materials. Alternative fonts are for situations where the main corporate font is not available or possible (e.g. a shared PowerPoint document).

## SPECIAL REQUESTS |

TRADE SHOWS & SHOWROOMS

Unless otherwise agreed, the business partner's display at a trade show should only use their own branding and corporate identity.

To refer to JABLOTRON, brand copy can be used to describe the partnership or offered products, the JABLOTRON partner logo can be applied and JABLOTRON product pictures and other images can be used.

As each trade show and showroom is different, if you plan to include JABLOTRON within your display, please contact us.

## SPECIAL REQUESTS |

OUTDOOR & VEHICLE BRANDING

If you are interested in the design of outdoor advertisements (e.g. billboards, lightboxes etc.), please contact us individually with the specification of the dimensions, location characteristics and other details regarding your campaign.

If you are interested in any of the following solutions, please contact us individually on [marketing@jablotron.cz](mailto:marketing@jablotron.cz)

## GENERAL RULES

1. The business partner is entitled to use the JABLOTRON brand and trademark, as well as promotional and presentation materials, and other intellectual property of JABLOTRON only for the purposes of the presentation and promotion of JABLOTRON and its products and for the purposes of the sale of JABLOTRON products.
2. Without the prior consent of JABLOTRON, the business partner is not allowed to use the JABLOTRON brand, trademark or logo as a part of their own brand, trademark or logo. The JABLOTRON business partner is not authorized to register any JABLOTRON brand, trademark or logo or the word "JABLOTRON".
3. The business partner is authorized to use the JABLOTRON brand, trademark or logo only in a way that clearly indicates that JABLOTRON is the manufacturer and the business partner is the distributor (installer).
4. The business partner is authorized to use the JABLOTRON brand, trademark and logo only in the form registered and approved in advance by JABLOTRON in accordance with these Guidelines.
5. The business partner is not authorized to use other JABLOTRON brands, trademarks and logos without prior consent.
6. The business partner is authorized to use JABLOTRON brands, trademarks and logos only in connection with JABLOTRON products.
7. All promotional and advertising materials and all forms of marketing communication containing the JABLOTRON brand, trademark, logo and/or products, including the MyJABLOTRON app created by the business partner, must be submitted for approval to JABLOTRON before their publication. The business partner is obliged to replace all materials which were found inexact, misleading, open to abuse or harmful to JABLOTRON's reputation.
8. The business partner must proceed during all its activities so as not to damage the good name of JABLOTRON and to respect the rights of JABLOTRON to its intellectual property.

**THANK  
YOU** for helping to build the  
JABLOTRON brand
