

SA-530 Magnetodynamic siren

Magnetodynamic siren, rounded shapes for easy installation to the sub-hood area, dimensions 56x74x74 mm, sound power 117 dB/m, consumption 1.2 A, power 12 V

○ [Declaration of conformity - SA-530 \(PDF 312,66 kB\)](#)

Technische specificaties

Dimensions

56x74x74 mm

Power

18 to 28 V

Consumption

0,8 A

Acoustic power

115 dB

Working temperature

-20 až +60°C
